FAR FAMILIES HEALTH AND SAFETY PROTOCOL

To best position the FAR community for a safe and healthy return workplace, the following protocols are being instituted to reduce person-to-person and surface-to-person spread of COVID-19 within our shared workplace. It is important that we all respond responsibly and transparently to these health precautions. We assure you that we will always treat your private health and personal data with high confidentiality and sensitivity.

All of these protocols are within the guidelines provided by the Center for Disease Control (CDC), and have proved helpful in areas currently affected by COVID-19. Please note these guidelines are subject to change as the CDC COVID-19 guidance is updated.

- **Everyone must enter through the Lion Entrance off of Maple at our Birmingham location and the Main Entrance in Macomb.**

- **Hand sanitizer is available for when you enter the buildings. We are asking everyone to sanitize their hands prior to their therapy session.**

- **Face coverings over both the nose and mouth must be worn at all times in the building for caregivers and clients at both our Birmingham and Macomb locations if you are not fully vaccinated. If you forgot a mask we will have some available in the FAR office. In Macomb your therapist will have them available for you.**

- **Anyone in the buildings should expect to maintain proper social distancing of at least six feet from others when possible.**

- **FAR will now have 2 designated bathrooms at the Birmingham location and 1 in Macomb. They are all handicap accessible and signage is on each restroom. Please do not use any other bathrooms in the buildings.**

- **Families are asked to not wander the buildings and will be assigned a designated waiting area.**

- **We are asking for clients to have only one additional caregiver with them. If this is not possible for you/your family we understand and will make arrangements for a larger waiting area.**

Thank you in advance for your commitment to keeping everyone safe. Please contact info@far-therapy.org with any questions or concerns you may have. We are available at the FAR office at 248-646-3347 or in case of an emergency call Pamela Ayres, FAR’s President, at 248-444-0300.
